LETTER RE-SUBMITTING MARKED-UP VERSION OF AMENDED CLAIMS

Assistant Commissioner for Patents
Washington, DC 20231

January 6, 2003
(Monday)

Sir:

In response to the Notice of Non-Compliant Amendment mailed December 4, 2002, Applicants hereby submit a copy of the amendment (excluding the sequence listing) and the version with markings showing changes made filed on July 30, 2001 for the above-identified application. A copy of the date-stamped postcard receipt is also enclosed herewith. The Notice of Non-Compliant Amendment indicates that a marked-version of the amended claims is required in order to make the amendment filed on July 30, 2001 compliant with the requirements of 37 CFR 1.121. Applicants contend, however, that a marked-up version of the replacement paragraphs as well as the amended claim (claim 2) was indeed filed with the July 30, 2001 submission. For the Examiner's convenience, however, a copy of the marked-up version as filed on July 30, 2001 is enclosed herewith. The marked-up version of the amended claim 2 can be specifically seen on the last page of the enclosure.

Application No. 09/806,568

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,
